U. OF A. SCORES KNOCKOUT BLOW

Manitoba Debaters Fall Before
Terrific Onslaught of David-
son and Carter.

SASK. ARE CHAMPS.

Our Eastern Neighbors Secure
Decision in Debating Bouts
with Manitoba Home Team
and U. of A. Repre-
sentatives.

'Twas a great victory! A grand and glorious struggle! It raged as furiously among the apple blossoms of Prince Edward Island as in the wilds of British Columbia. The rocks of New Ontario echoed the din. It disturbed the icy vastness of Rupert's Land. Shades of John A. Macdonald and Honorable Bob, dusty ghosts of political campaigns arose to bless or curse the combatants. Macmillan, with his "no-precedent" punch, chased Carter and Davidson all over Canada. Furious with the thoughts of discrimination, he backed them into the top-most corner of Vancouver Island. The on-lookers gasped, and then breathed—as Carter, narrowly missing a heavy swing, stooped, adroitly snatched from the ground a monstrous United States precedent and hurled it at his opponent. It landed. But scarcely had Macmillan subsided than Parker rushed into the fray. What a valiant champion! And honest, he was. Had we been Carter we'd have quailed. He didn't, though. But Parker had not reckoned with Jimmy, who had been biding his time. Coolly he entered the struggle, tapped one opponent legally on the nose, constitutionally spanked the face of the other, and then with one great punch of moral responsibility, rushed at the pair—and Carter and Davidson won by five per cent.

The whole trouble started over this resolution, suggested by the debating societies of the Universities of the three western provinces:

RESOLVED: "That the three Western Provinces of Manitoba, Saskatchewan and Alberta should by right be granted control of all lands, mines, minerals and royalties which are situate or arise within the said provinces without any re-ad-

SASKATCHEWAN UNIVERSITY WINS W. C. I. A. U. CHAMPIONSHIP

Saskatoon, Feb. 6—Saskatchewan University won the W.C.I.A.U. hockey championship by four goals tonight at the Arena rink. Manitoba University were the defeated. University had a strong line-up and they fought to the last ditch. The score for this game was 8 to 3. The game was fast and clean, featured by wonderful goal tending of Vant for Saskatchewan, and work of Broadfoot on the forward line.

The Manitoba team were royally entertained before and after the game.

The University of Saskatchewan, under new ruling made recently, are challenging for the Allan Cup.

SCIENCE SLAUGHTERED

Sons of Soil Determined to Snatch
League "A" Championship

The Aggies demonstrated their superiority as puck-chasers by taking Science into camp with a score of 4-1.

The Farmers carried the war into the enemy's country from the start. Doughty was the first to score and McAllister netted the next one. Science then staged a rally and Waines scored the Engineers' lone tally.

During the second period a good brand of hockey was served up, but no points were made.

During the third period it was do or die for Science and play was speeded up, but the Aggies had other plans and proceeded to carry them out. Two more points, one by Hummond and the other by Doughty finished the story.

Aggies—McAllister, Clark, Hummond, Doughty, McColl, Wilson, Thornton, and Gaetz.

Science—Fraser, Waines, Fraser, Lawton, Hall, Le Turneau, McAllister, Cundall and McLeod.

Varsity Seconds TRIM OUTLAWS

Outlaws Outlawed at Their Own
Game to Tune of 40-14.

The Varsity Seconds came into their own last Saturday night when they defeated the Outlaws in an Intermediate Basketball League fixture at the Y.M.C.A. The score at the end of the first period was 24 to 2 in Varsity's favor, and 40 to 14 at the finish. Our team showed much improvement over the last game in every feature of the play. The combination was faster and more sure and the shooting much improved.

For the winners the heavy scorers were McCabe, McLeod and George, while McDougal gathered the harvest for the Outlaws.

Notwithstanding the fact that Varsity had it all over their opponents, there were very few personal fouls called, the game being clean throughout. Doug. York refereed.

The line-up was as follows:

Varsity.	Outlaws.
	Forwards
McCabe	McDougal
McLeod	Olesky
	Center
Teskey	Quick
	Guards
George	Burgess
McAllister	McLeary
Points—Varsity: McCabe, 12; McLeod, 8; Teskey, 6; George, 8; McAllister, 6.	
Outlaws: McDougal, 8; Olesky, 2.

KEEN RIVALRY.

Closely Contested Fight for Presi-
dency with Harrison, Tay-
lor and Geary the De-
feated Candidates.

A meeting of the Freshmen Year for the purpose of organization, was held in Convocation Hall, Monday, February 7th, at 5 p.m. The Class turned out en masse and the enthusiasm and class spirit displayed augurs well for the future achievements of '24. L' esprit de corps would be well expressed in the words "watch us go."

President MacGillivray, of the Students' Union, called the meeting to order and got down to business at once by calling for nominations for the various offices.

The four candidates for the presidency, Messrs. Harrison, MacDonald, Taylor and Geary, were called upon in turn and expressed their views on the problems confronting the Freshmen year. Ballots were then distributed and after the count had been made, Mr. A. H. MacDonald was declared elected amid loud applause.

Miss Alice Joyce was the popular choice for Vice-President, and in a short speech of appreciation, offered the timely suggestion that "all students succumbing to the coming tests be buried out of the common funds."

By the unanimous vote of the meeting, Dean Howes, head of the Faculty of Agriculture, was chosen as Honorary-President.

Mr. Jimmy Brunton, who in the meanwhile had been busily engaged in counting ballots, received as his award, the responsible position of Secretary-treasurer.

A committee of three was now chosen from the body to act in an executive capacity, consisting of Mr. W. Blair, Mr. R. M. Baker, and Miss Clarke.

Last, but none the less interesting, was the choosing of a patrol of constables. The young giants were paraded and from among this group of stalwarts were selected Messrs Langston and George.

The election of officers being completed, President-elect MacDonald advised that any further business to be dealt with be brought up at an early meeting. The advice was acted on and the meeting adjourned.

DRAMATIC SOCIETY

The regular meeting of the Dramatic Society has been postponed till February 21st, on account of tests. Mr. Owen will be the lecturer.

NOTICE!

The office of the Students' Council will be closed until after tests.

Varsity Ahead IN LEAGUE RACE

Telephone Boys Succumb to U.

Varsity, 5—A.G.T., 2.

Combination of Telephone and
South Side Teams Proves
Varsity Invincible.

Those students who journeyed to the South Side Rink on Friday night witnessed what one and all agree was the best game of the year. While it was not exactly a do or die game, Varsity needed it to keep at the head of the league, and the Telephones, reinforced by the remnant of the South Side team, were determined to humble the hitherto undefeated, Rah Rah Boys. The stage being thus set there was a breathless hush when the referee faced off the puck.

Varsity at once began to show their superiority and encouraged at the start by someone scoring a lucky goal, kept ahead all through the game. Alternating between combination and brilliant individual work, Billy Esdale and his trusty forwards kept up a strenuous offensive which succeeded in piercing the Telephone's defence three times in the first period, while the A.G.T. were rather lucky in stretching the twine behind our elongated but handsome "slim."

The second period ended with neither side scoring and was without a doubt the best hockey of the season. Time after time, two and three men rushes would start down the ice only to come to grief at the defence.

The third period started with both teams resolved to fight to the bitter end, and after the smoke had cleared away it was seen that both teams had scored once. It would be unjust to pick out any one player of the Varsity team, as they all played the best game of their young lives. Max Trimble, despite a bad cut, received early in the game, gamely kept playing. The lineup was as follows:

Varsity: Morris, McGregor, Cleland, Esdale, McKay, Trimble, Yuill, and Lang.

INTER-VARSITY DEBATING

The triangular debate has come and gone, and we congratulate Saskatchewan heartily on her victory. The necessity of organization was emphasized by the fact that a slight, but very important difference in the wording of the debate increased the difficulty of the subject for the debaters. During the negotiations preceding the debate, some confusion arose which resulted in the Saskatchewan and Alberta teams arguing on different grounds. It is to be hoped that a definite, and clear cut organization will be formed next year, and that copies of the exact wording of the debate will be circulated around the different debating societies. These copies must be signed by responsible officials. This would obviate a recurrence of this year's confusion.

PLAN TO RID LIBRARY OF PARROTS

We have knowledge of the new type of parrots that infest the library. The question now is: What means shall be used to free said place of such birds.

Many methods have been suggested but the one that is most appealing and appears to be the safest way to extinguish the pest is to use them as targets for those who are so nobly trying to avert war and prevent invasion, namely the rifle club. This plan has been submitted by one who is known more or less as humanitarian throughout the campus. In order that the firing squad may become proficient in hitting the bull's eye at every shot it is suggested that one week of intense practice may be scheduled before the invading parrots be used as bullet stoppers.

Although the method may seem barbarous, yet it is evident that most states hold that death by rifle shot is as humane as any. Above all it is the surest way of combating the invasion.

Be it here proposed that, beginning with Monday and continuing for one week, target practice will be given daily, using blue pigeons; further, that on Feb. 21 above mentioned parrots will be used as targets and from thenceforth until the invading birds become extinct.

ATTENTION! SHOOTERS!

Prof. Rowan (Honorary Federal Game Officer in the Province of Alberta) will give a free lecture in Convocation Hall, Saturday, February 12, on the "Migratory Birds Conservation Act." This lecture is of particular interest to shooters. Slides and moving pictures of wild birds at home will be at feature of the evening.

INTERFACULTY HOCKEY

Arts & Law, 4; Meds, 3.

The "Budding Barristers" turned the tables on the Meds on Monday, January 31, when they defeated them 4 to 3. Each team played hard and each succeeded in notching a goal every period. At the end of the third period the score stood 3 all. After the overtime the score stood 4-3 for the Meds, Turnbull stood 4 to 3 with the A. & L. team on the long end. Turnbull scored the deciding goal. Turnbull played a star game for the winners, scoring three goals, Harrison making the other counter. Hall, for the losers, scored all their goals, and along with Krause, played a good game on defence.

McColl and Grant handled the game.

Meds.—Bowlin, Krause, Hall, Trimble, Sanders, Dyer, Soby, Rutledge, Bowman.

Two Interfaculty games were staged on Thursday, Feb. 3rd. The first one was between the Pharmacists and Alberta College, resulting in a win for the former. Watts was the successful shot.

Pharmacy: Watts, Lang, Geary, Vickerson, George, Jacques, Third, and Becker.

Alberta College: Lattam, Embittered, Kirk, Johnson, Mitchell, Hunt, MacDonald and Patterson.

The second game was between Aggies and Meds. The Aggies staged a brilliant comeback this week. The final score was 7-0 in their favor. Their team has been materially strengthened and they expect to give a good account of themselves.

Aggies.—Clark, McAllister, McColl, Doughty, Hummond, Wilson, Thornton, Gaetz.

Meds.—Bowlin, Hall, Turnbull, Kreuger, Dyer, Bowman, Dyer, Sanderson, Rankin.

Mr. Parker, again taking up the argument for the affirmative, quoted speeches from leaders of the days when the act was made, to show what had been done had been, not from right but from expediency. It had been a case of judicious exploitation of the prairie provinces to fill the coffers of the Dominion and so lighten the load of the Eastern Provinces. Speaking on the question of subsidy to Nova Scotia and New Brunswick, he claimed that that was a question to be settled between the Dominion and the provinces concerned without any reference to the western provinces, just as the return of the natural resources was a matter of concern only to the western provinces and the Dominion.

Mr. Davidson, for Alberta, maintained that the Dominion had a legal right to keep the proceeds of the natural resources and that the western provinces, in as much as these agreements had been made by themselves, had no moral right to ask for them. Manitoba had even drawn up her own terms, in 1912, when her boundaries were being enlarged. To hold out now for a return of what they had willingly given up was simply a case of moral irresponsibility which he believed the provinces would not be guilty of.

The judges then awarded their decision which favored the negative by a narrow margin of five per cent. The orchestra, at the beginning, soothed the nerves of the contestants with a most pleasing selection, rendered in its usual inimitable style and while the audience awaited the judge's decision, Mr. Morgan, accompanied by Mr. Edwards, played a delightful flute solo.

As a result of her win over Manitoba University at Winnipeg, and her win over our representatives at Saskatoon, Saskatchewan University has won the championship of the triangular contest held last Friday.

justment of subsidy to the provinces of Nova Scotia and New Brunswick."

Alberta said it should not be. Manitoba offered to back the statement. And that's the way the quarrel began. Mr. T. B. MacMillan (Manitoba College), and Mr. W. J. Parker (Agriculture) represented Manitoba University, and Mr. Walter Carter and Mr. J. R. Davidson were the Alberta contestants. Dean Kerr, in the capacity of Chairman, announced them and fired the shot that started it. Mrs. Arthur Murphy, S. B. Woods, K.C., and A. F. Ewing, M.P.P., kindly consented to give of their time and emotions and act as referees.

Mr. MacMillan opened the debate with points that seemed hard to beat. He claimed that the withholding of the rights of the natural resources is an act un-precedented in the history of the Empire, and not only that, but even the other provinces of the Dominion had control of the wealth of lands and minerals which are found within their respective provinces. He claimed, too, that discrimination had been shown in the cases of British Columbia and Prince Edward Island.

Mr. Carter, opposing, said that the very Act of Confederation involved the surrender of autonomy by the provinces. Besides, the western provinces had not come into confederation under the same conditions as the other provinces but had been bought and paid for from the great tracts of country known as Rupert's Land; and belonging to Hudson's Bay Co. He claimed that our representatives in the federal legislature were right in their acts, and borrowed precedents from the United States to make good his claim.
